## DESCRIPTION

Design and construction of a two form entry primary school to form an annexe to Plumcroft Primary School, situated approximately one mile away. The new building comprises a nursery, 14 classrooms, a specialist teaching room, multi-function double height main hall with facilities for assemblies, dining and P.E., full kitchen, staffroom and admin rooms. A basement houses the main plant room and a waste recycling room. Externally there is an excellent outdoor learning environment, surface parking and cycle stores. Plumcroft Primary School was awarded a BREEAM Excellent rating. The development was also the overall winner of the Education Estates Award 2019 under the category of Project of the Year – Schools.
